PUBLICATIONS

Impact Factors Journal Citation Reports JCR (year of publication or closest) and ranking in the relevant field; Web-of-Science Article Influence Scores AIS, and articles' number of citations from Scopus (SCO) at Jan 15,2020 and Google Scholar (GS) at Jan 13,2020 are in square parentheses. Press/Media coverage reported where relevant. None of my publications is with my PhD thesis advisor. Authors of papers are listed in alphabetical order as conventional in economics. In all the

papers with co-authors – except in nr.6 – I contributed to the design of the research question, the choice of the appropriate methodological tools for the empirical analysis, the empirical elaborations, the paper writing and revisions as well as the dissemination of the results. For the publication nr.6 I contributed to the empirical analysis and paper technical appendix. The first 8 papers listed below (nr.1-nr.8) are published in journals ranked in “class A” by ANVUR.
